Subject: October Board Meeting - October 14th? - Reply Requested

Village President Underwood and Trustees,

Good afternoon. As directed during the most recent meeting, I am attempting to schedule the meeting date for the presentation of the survey results. Unfortunately, the NRC representatives are not available for the regular board meeting dates in October (13th and 27th). NRC and the Kildeer School meeting space are both available on October 14th. The attached DRAFT agendas reflect the Regular Board Meeting at 7:00 pm (with omnibus items and one action item re: SSA public hearing) and the Special Board Meeting (survey presentation) starting at 7:30 pm on October 14th (no meeting on Oct 13th).

Please reply letting me know if you are available on October 14th. If unavailable, please provide alternative dates that you are available after October 14th.

Thanks,

Dave
