THE VILLAGE OF LONG GROVE

May 10, 2017

Dear Long Grove Residents,

The State Legislature is considering [Senate Bill 2199 \(Sen. Kyle McCarter\)](#) which would reduce the share of the Local Government Distributive Fund (LGDF) by 25% and the share of the Sales and Use Tax by 20%.

If approved, this Bill would reduce the Village of Long Grove revenues by \$458,000 Each Year, representing more than 11% reduction in revenues (\$4.0M Annual Village Budget).

SB 2199 is scheduled for a hearing in the Senate Revenue Committee **today**, at 4:00 p.m.

The Village of Long Grove Board of Trustees opposes the State's efforts to balance their budget on the backs of local governments while still not addressing the underlying financial problems and asks for your support by submitting a witness slip in opposition of this piece of legislation.

Please open the attached document and click on the direct link to the online witness slip to file your **opposition**. When completing the witness slip please file as "resident".

Please share this important information with your neighbors.

Sincerely,

The Village of Long Grove
