(collectively, "***Territory***")

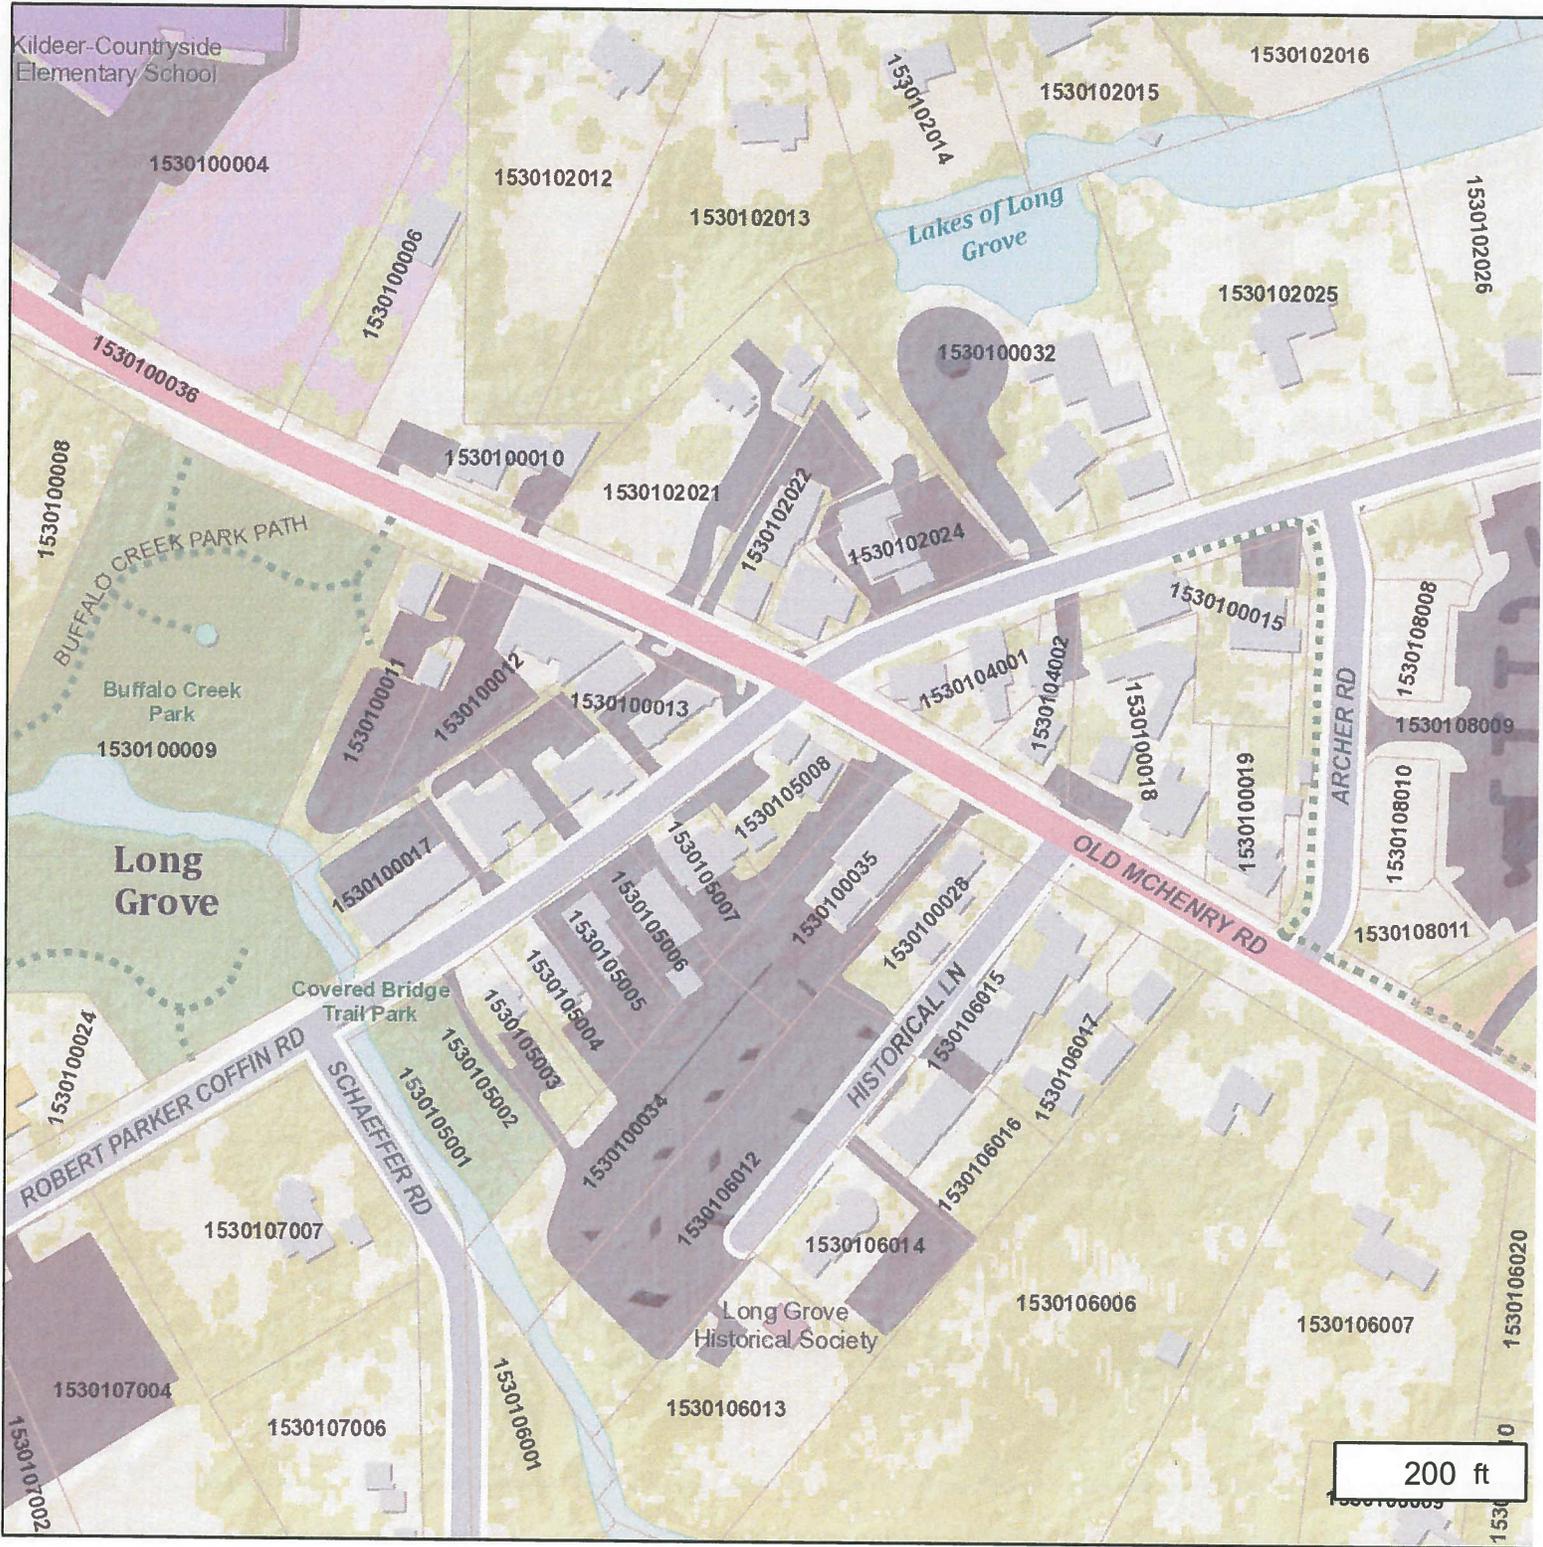

The purpose of the public hearing is to consider establishing the Downtown Water SSA within the Territory for the purpose of extending water distribution mains and related facilities for the Village's public water system into the Territory ("***Special Services***"). The Special Services will involve new construction of water distribution facilities serving the Territory. At the public hearing, the Village will consider the imposition of a tax levy by the Village on taxable properties within the Territory sufficient to produce total revenues not to exceed \$247,500.00 per year for a period not to exceed 30 years ("***SSA Levy***"). The SSA Levy would be levied pursuant to a special tax roll that will allocate taxes among the lots in the Territory on the basis of projected water usage as measured by residential equivalents ("R.E."). The SSA Levy may also be used to defray the principal and interest payments for the issuance of not more than \$1,500,000.00 in bonds for the Special Services. The bonds would be payable over not more than a 30-year period and may only be issued at an interest rate not exceeding six and one-half percent (6.5%) per annum as a net yield. The Village of Long Grove will be responsible for maintenance of the water system after the life of the bonds.

All interested persons, including all persons owning taxable real property within the SSA, will be given an opportunity to be heard at the hearing regarding the proposed establishment of the Downtown Water SSA, including the levy of taxes and the issuance of bonds, as well as an opportunity to file objections in writing with the Village Clerk at the Long Grove Village Hall. If a petition, signed by at least 51 percent of the electors residing within the SSA and at least 51 percent of the owners of record of properties within the SSA, as herein defined, is filed with the Village Clerk within 60 days after the final adjournment of the public hearing, the establishment of the Downtown Water SSA as herein described shall not be considered further.
