Dear Resident,

The Village of Long Grove wishes to update you on the Village of Long Grove 2013 Street Program project that will be taking place shortly in your area. The 2013 Street Program will be funded utilizing Village General Funds and Motor Fuel Tax funds (MFT). Work will consist of existing pavement removal, hot-mix asphalt overlay, partial depth hot-mix asphalt pavement patching, shoulder filling and grading, pavement striping and sign removal and replacement. Prior to work beginning, the Village Engineer (ESI Consultants, Ltd.) and the Contractor will be visiting the locations specified below and marking limits of improvements.

The paving work is scheduled to begin during the week of October 14, 2013 and be completed by the end of November 2013 (weather permitting). The paving will take place at the following locations:

- Old Hicks Road IL State Rte 53 to Checker Road
(Approximately 0.9 miles, Budgeted amount \$412,000)

Additional partial depth hot-mix asphalt pavement patching and pavement striping will be occurring on the following roadways:

- Checker Road North Schaeffer Road to Arlington Heights Road
- Cuba Road S. Krueger Road to Old McHenry Road
- N Krueger Road Gilmer Road to IL Rte 22
- Indian Creek Road Village limits to Diamond Lake Road
- Holly Court From Tanager Way to Schaeffer Road
- Middlesax Drive, Monitor Lane, Merrimac Lane, Monticello Lane and Mayflower Lane
(Mardan Estates Subdivision Area)
(Budgeted amount \$188,000)

Although single lane access will remain open at all times, traffic delays are expected due to the construction vehicles and nature of the work. Please allow for additional travel time or, if possible, choose alternative routes. Please contact the Village of Long Grove (847) 634-9440 if you have any questions or concerns.

Thank you in advance for your cooperation and patience.

Sincerely,
The Village of Long Grove
