THE VILLAGE OF LONG GROVE

This is a reminder that Long Grove's free electronics recycling event will be held tomorrow (Saturday, April 13th) from 8:30 a. to 11:30 am at the Archer Municipal Parking Lot located off of Old McHenry Road in downtown Long Grove.

Some of the electronic items that will be accepted are:

- computer equipment,
- home electronics (including TV's),
- small appliances,
- home office equipment,
- and household batteries.

Items that will NOT be accepted include:

- household chemicals,
- fluorescent lamps,
- dehumidifiers,
- air conditioners,
- refrigerators, and
- large appliances.

Please refer to the SWALCO website (www.swalco.org) for a complete list of accepted items.

In addition to electronics, this year the Village will be collecting nonperishable food items for humans and their pets to be donated to a local township food pantry.
