Dear Long Grove Residents,

The Village of Long Grove has begun the process of revising our Comprehensive Plan and all residents are encouraged to visit the project website to learn more and stay informed <https://longgrovecompplan.wordpress.com/>.

The current Comprehensive Plan (posted under "Documents" on the project website) was adopted in 1999 and has been instrumental in protecting the character of the Village while guiding the Village's development patterns. The Village most recently updated the 1999 Plan with the creation of the Downtown Master Plan (posted under "Documents" on the project website). This current process will be reviewing the entire Plan, including the various commercial sub areas identified in the 1999 plan. The Village invites and encourages all residents to actively participate in the review and updates to the Comprehensive Plan through attending meetings and registering for automated electronic updates, downloading the project app (to be available soon) and providing feedback through the interact section of the project website .

As part of these updates, there is an opportunity to explore new ideas for commercial development. Please visit this link <https://www.surveymonkey.com/r/LongGrove> to offer your thoughts on commercial development. Your feedback is important to help the Village, business owners, property owners and potential tenants understand how to better serve the needs of Long Grove residents and other customers. This survey should only take about 10 minutes of your time. Your answers will be completely anonymous and any contact information that you elect to provide will not be shared with any entity. When you complete the survey, you will be directed to a web site that offers additional ways to participate in the comprehensive planning process.

As part of the Village's outreach efforts to maximize participation in this important process, the following postcard was mailed to all Long Grove addresses (residential and commercial) last Friday and should be received in the mail today or tomorrow. Please follow the links given to provide input on future commercial development and to register for automated updates and notices.

TO HELP SHAPE THE FUTURE
OF LONG GROVE!!

The Village of Long Grove is updating its comprehensive plan. You have the opportunity to comment on future commercial development in the Village. Visit the project website, participate in our online survey (until 3/18) and let us know your thoughts!
