Village Comprehensive Plan Update:  
Arlington Heights Road Residents Meeting – August 30th

August 17, 2016

Dear Resident/Property Owner,

The Village of Long Grove is embarking upon a revision to the Village Comprehensive Plan. The current Comprehensive Plan was adopted in April of 2000 and builds upon the foundations laid in previous planning efforts. Preservation of community character, while permitting high quality development, has been a long standing priority of village planning efforts. It is envisioned that this plan update will continue to build upon the planning foundations of the past while addressing the future needs of the Village and in particular opportunities for Economic Development. The Village has retained the planning/economic/market analysis consulting firms of Teska Associates and Business Districts Inc. (BDI) to assist the Village in the planning process and creation of the plan document.

The Village has been made aware of concerns by residents along Arlington Heights Road regarding the conceptual land use patterns indentified as planning "Subarea Site 4: Sunset Grove/Ballybunion" of the plan update. In an effort to address these concerns and potentially identify alternate conceptual land use patterns for the area, a meeting with Village representatives, the consultant, and residents of Arlington Heights Road has been scheduled as follows:

**Arlington Heights Road - Plan Update Meeting**  
**Tuesday, August 30<sup>th</sup>, 2016**  
**7:00 PM**  
**Long Grove Village Hall**

Please accept this letter as a formal invitation to attend this meeting and express your concerns or ideas with regard to future land use patterns for this area of Long Grove. Participation in this process is greatly valued and appreciated by the Village of Long Grove.
