**Understanding Projects and Permits**

A **"Project"** consists of one or more **"Permits."** The number and type of individual permits required per project is determined based upon the different trades and contractors involved in the project. For example, an Interior Alterations project might consist of four permits: building, electrical, HVAC, and plumbing.

**"Building Permit Revenue Total"** includes total fees collected for all **"Permits Issued"** this month, plus any application fees paid for new project submittal, and any miscellaneous building permit fees collected on existing permits, i.e. re-inspection fees, permit extension fees, etc.

**"Projects Started"** is the number of new projects which have been **submitted** to the Village for permits during this month; these projects are in the process of review and their corresponding permits might not be issued until a future month. Permit fees for Projects Started will be reflected during the month of those permits' issue.

3) 04/12/11	Gail Noronha, permit holder for interior alterations permit at 6243 Pine Tree Drive, 847-566-3899	4/12/11: Homeowner Gail Noronha called, she was very upset that she has not received her security deposit back yet after finishing her kitchen remodel. I explained that she needs to pass a Countryside Fire re-inspection prior to closing out this permit (as she was informed previously.) The CFPD inspection report indicates problems with sprinkler head in the area of the remodel/kitchen. She had a copy the report but she said that the names that were recommended to her by CFPD in order to repair the sprinkler issues have not been helpful at all. I offered to contact Mike McNally to help speed a resolution. She was very upset that she even had to have the fire dept inspection at all. I tried to explain that she may have an unsafe situation in her kitchen in case of fire, but she said this was exactly why people in Long Grove prefer to do work without permits. She stressed several times that Bob (Block) never made her have fire dept inspections on previous interior projects.	4/12/11: I emailed Mike McNally @ CFPD the details. He immediately replied that he will contact Gail and help her resolve the problem. /mr
4) 04/12/11	Mike Blumenthal, 3866 Old McHenry Rd	Mike B. wanted to know why someone from the Village was by his house. Mike B. stated that his non-English speaking person at his home stated that there was a man in his 60's that stopped by from the Village.	I checked BS&A to find out if there was a project and if there was an inspection. There is no project or inspection. I tried to get more info. I informed Mike Blumenthal to have the person at his home contact Lake County Sheriff's office./jb
5) 04/14/11	Unknown Resident	Called to find out about the Egg Hunt. I informed her that this is cancelled. She wanted to know why? Resident was also upset about the fact that the Village of Long Grove does not have any parks for her grandchildren to play in.	I referred caller to Long Grove Park District regarding the Egg Hunt. I gave caller the phone number for the Long Grove Park District. I referred caller to Dave Lothspeich, Village Manager to discuss the issue regarding the parks in Long Grove./jb

8) 04/18/11	Melissa Spruce, homeowner at 6331 Valley View Ln. (basement remodel permit applicant)	Melissa Spruce called the Village just to share her opinion of the contractor they hired and fired for their basement remodel project -- Matrix Basement Systems; she felt they were very dishonest and attempted to cheat them on fees, therefore she & her husband decided to cancel their contract with Matrix. She just wished there was a way to warn any future Long Grove residents.	We talked about getting referrals from companies and also talking to neighbors and HOA's prior to selecting a new contractor. /mr
