

Item #15:
Village Trustee Weber
LGBCP Merchant Meeting - August 13, 2012

Hello fellow Board Members:

In the interest of giving everyone a late summer chance to recharge their batteries and due to the fact that several of our board members will be away for the August meeting, we have decided to CANCEL the regularly scheduled meeting that would have taken place on Tuesday the 21st. The only agenda item as of this writing was the Turkey Trot event application which was recently submitted. When the Event Committee met this past Wednesday morning the program was reviewed by the six Board members making up the Event Committee and in attendance. As all details were in order and provided it was voted on to approve the application and forward it to the Village Board.

The Event Committee members in attendance included Claire Ball, Peg Ball, Jacquie Longeway, MaryAnn Ullrich, John Kopecky, Tobin Fraley and Rachel Perkal.

Please remember we are having a Merchant Meeting this coming Thursday morning, August 16th at The Village Tavern. The subject matter is important and I hope each of us can and will make every effort to reach out to other merchants and encourage them to participate in keeping our town healthy and alive!

See you Thursday morning and enjoy having an extra Tuesday evening to your selves! Your ongoing commitment and service to the downtown is appreciated more than you can know!

Warm Regards,

Rachel S. Perkal
