Re: Request for funds from TIF District

Dear Dave,

The Long Grove Fire Protection District (LGFPD) will be expending funds to make improvements to the fire station in fiscal year 2010. These improvements include new asphalt driveway and parking area (side and back of station), repair to the concrete apron and driveway (front of station), and landscaping. Preliminary estimates indicate that the total expenditure will be approximately \$85,000.

LGFPD requests reimbursement funds from the TIF District for the above mentioned improvements as they become available.

We will provide copies of bills and check stubs from payments for the improvements. Please let us know if you require any additional information.

Sincerely,

Robert Turpel  
Chief
