Re: Illinois Municipal League Risk Management Association (IMLRMA)

Dear Larry:

In accordance with the established bylaws of Illinois Municipal League Risk Management Association, the Village of Long Grove hereby informs Illinois Municipal League Risk Management Association that it intends to preserve its ability to pursue competitive options from different agents other than the Illinois Municipal League Risk Management Association in order to allow the Village of Long Grove to evaluate any and all available options for its Property and Casualty insurance program.

While we are not dissatisfied with the services provided by Illinois Municipal League Risk Management Association, the Village of Long Grove wishes to preserve its ability to pursue competitive options in order to deal with the continuing insurance cost issues which confront it.

If you have any questions, please advise.

Sincerely,

A handwritten signature in blue ink, appearing to read "Dave Lothspeich".
