Dear LGBCP Members,

3 items of importance:

1) Please be aware of your surroundings. During the winter season, with less foot traffic in town, it's a good time, for you, to remind your co-workers to be alert, both inside and outside.

Should anything catch your eye, feel suspicious or make you uncomfortable, don't hesitate to call 911 for the Lake County Sheriff. That's what they are there for. It's always better to err on the safe side.

2) Valentine's Day is just around the corner. If you are doing anything at all for Valentine's Day, and haven't already notified us, please contact us, and we'll pass on the details to our PR Firm.

It's not too early to be thinking about St. Patrick's Day promos, as well.

3) The Long Grove Artists Guild and The Village Tavern have partnered up for The Red Show!

Please support The Tavern and The Artists Guild by spreading the word. See attachments for details.

Stay Warm, Drive Safely, Spring is around the corner...

Sincerely,
Sharon

The Long Grove Artists Guild announces a new location for “Red Show”!

“Something About the Color Red” Invitational Art Show has been warmly welcomed by Chip & Mary Ann to the lower level “Speakeasy” at the Historic Village Tavern in Long Grove, 135 Old McHenry Road. Artists of all ages will be displaying their art, inspired by that intriguing color red. The American Heart Association will receive a donation from each artist entry fee and any public free will donations.

The public is invited to the Opening Artists Reception hosted by the Long Grove Arts & Music Council & The Artists Guild on Saturday, Feb 21 6-8PM.

Guests are invited to vote for People’s Choice Awards for the various age categories.
