This letter is to confirm that the Long Grove Park District, at its regular meeting on July 12, 2010, voted to not sign a lease agreement with the Village of Long Grove for the planned athletic fields located adjacent to the Menard's Store on Route 53 and Lake Cook Road.

The timing, the economy, and the conditions are deemed unsuitable at this time.

We do appreciate the effort put forth by a number of people in both the Village and the Park District in trying to bring this project to a successful conclusion.

Sincerely,

A handwritten signature in black ink, appearing to read 'Lee Bassett', written in a cursive style.
