COUNTY OF LAKE

Advisory Question Of Public Policy Concerning The Possible State Of Illinois Construction Of The Extension Of Illinois Route 53 Through Lake County

Shall the State of Illinois construct the extension of Illinois Route 53 from Lake Cook Road northerly to the existing Illinois Route 120?

This is an advisory referendum that will be used to determine the level of public support for the extension of Illinois Route 53 through Lake County. A map depiction of the contemplated routing of the proposed extension of Illinois Route 53 can be found for viewing online at www.lakecountyil.gov/route53 and is also available at the Lake County Division of Transportation, 600 West Winchester Road, Libertyville, Illinois.

ROCKLAND FIRE PROTECTION DISTRICT

Proposition To Levy A Special Tax For Providing Ambulance Service

Shall the ROCKLAND FIRE PROTECTION DISTRICT levy a special tax at a rate not to exceed .30% of the value of all taxable property within the district as equalized or assessed by the Department of Revenue for the purpose of providing ambulance service?

The purpose of this referendum proposition is to allow the Rockland Fire Protection District to levy a separate tax for ambulance service to residents of the District. Passage of this referendum alone will result in no additional tax to the taxpayer and no additional revenue to the District to provide ambulance service because the District is prevented from extending sufficient additional tax by the Property Tax Extension Limitation Law.

If the associated referendum proposition presented by the District to increase the limiting rate under the Property Tax Extension Limitation Law is passed,

(1) The approximate amount of taxes extendable at the most recently extended limiting rate is \$344,520.78 and the approximate amount of taxes extendable if the proposition is approved is \$555,600.00.

(2) For the 2009 levy year, the approximate amount of the additional tax extendable against property containing a single-family residence and having a fair market value at the time of the referendum of \$100,000.00, is estimated to be \$63.33.

(3) If the proposition is approved, the aggregate extension for 2009 will be determined by the limiting rate set forth in the proposition, rather than the otherwise applicable limiting rate calculated under the provisions of the Property Tax Extension Limitation Law (commonly known as the Property Tax Cap Law).
