YOUR INPUT MATTERS!

The Lake County Division of Transportation (LCDOT) is holding a public information meeting to initiate the Aptakisic Road Preliminary Engineering and Environmental (Phase I) Study. The study area consists of approximately 1.2 miles beginning at IL Route 83 on the west to Buffalo Grove Road on the east. The study will take a comprehensive look at the transportation needs of the corridor and includes an extensive public involvement process. The project will include an analysis of existing roadway conditions, safety and capacity issues, and future transportation needs.

The purpose of the meeting is to seek public input on the transportation issues and concerns of the Aptakisic Road study area. The meeting will be conducted in an open house format, and interested persons may visit anytime between 5:00 and 7:00 p.m. LCDOT and the study team will provide information regarding study schedule, the review process, and public involvement opportunities, including the opportunity to sign-up for consideration to serve on the project's Stakeholder Involvement Group (SIG). Attendees will have the opportunity to review exhibits, provide comments, and meet
