Previous career in Interior Design and general interest in History and Architecture make this a board that I would very much enjoy serving on.

Reasons for Volunteering:

Please state briefly why you are volunteering to serve The Village of Long Grove.

Having relocated to Long Grove from the UK earlier in the year and having bought a property very much within the downtown village area I am keen to get involved in the community and village life. I have lived in small villages for the last 10 years where I have always been a part of the community and enjoyed being involved. I am keen to do anything to help in the process of rejuvenating the village whilst maintaining it's beauty and integrity.

Conflict of Interest:

Do you have any interest in or participate in any professional or personal activity that could lead to, or BE PERCEIVED as, a conflict of interest if you become a candidate or appointee?

If yes, please explain:

I will be applying for a building permit myself in the very near future as we hope to remodel our house and restore it to its former glory, I cannot imagine anything that we ask permission to do will in anyway conflict with the village as we fully intend to keep the look and feel of the house and not replace it with anything that could be perceived as out of keeping with the look of the village. Also submitted a Consolidation of Lot application.
